Dance Note

Music Audio

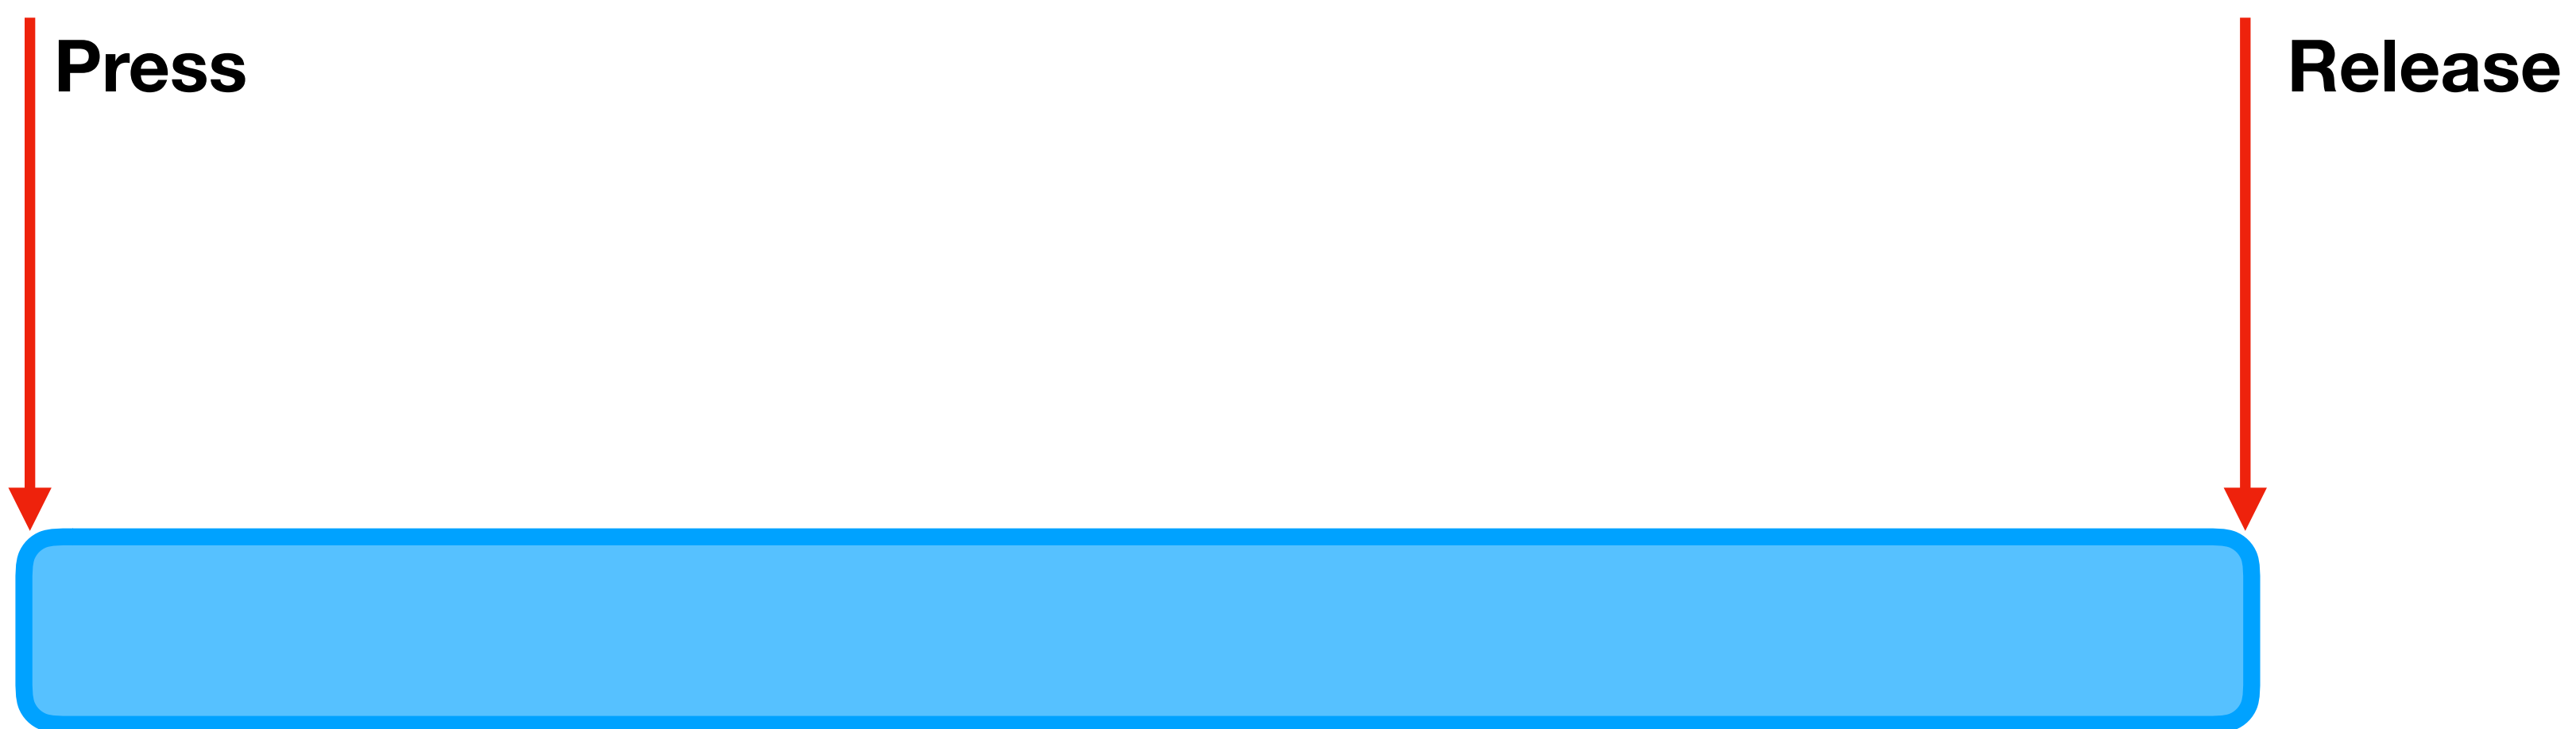

# OSU! mania

# Simple Scenario

# Simple Scenario

# Simple Scenario

# Simple Scenario

***A little bit complex***

# General Instant Scenario

# General Instant Scenario

# General Instant Senario

**Not Instant?**

Notes

Music Audio

Music Audio

# Continuous Scenario

**Now Problem**

**Music Audio**

# Continuous Problem

# Continuous /w single-dimensional beatmap Problem

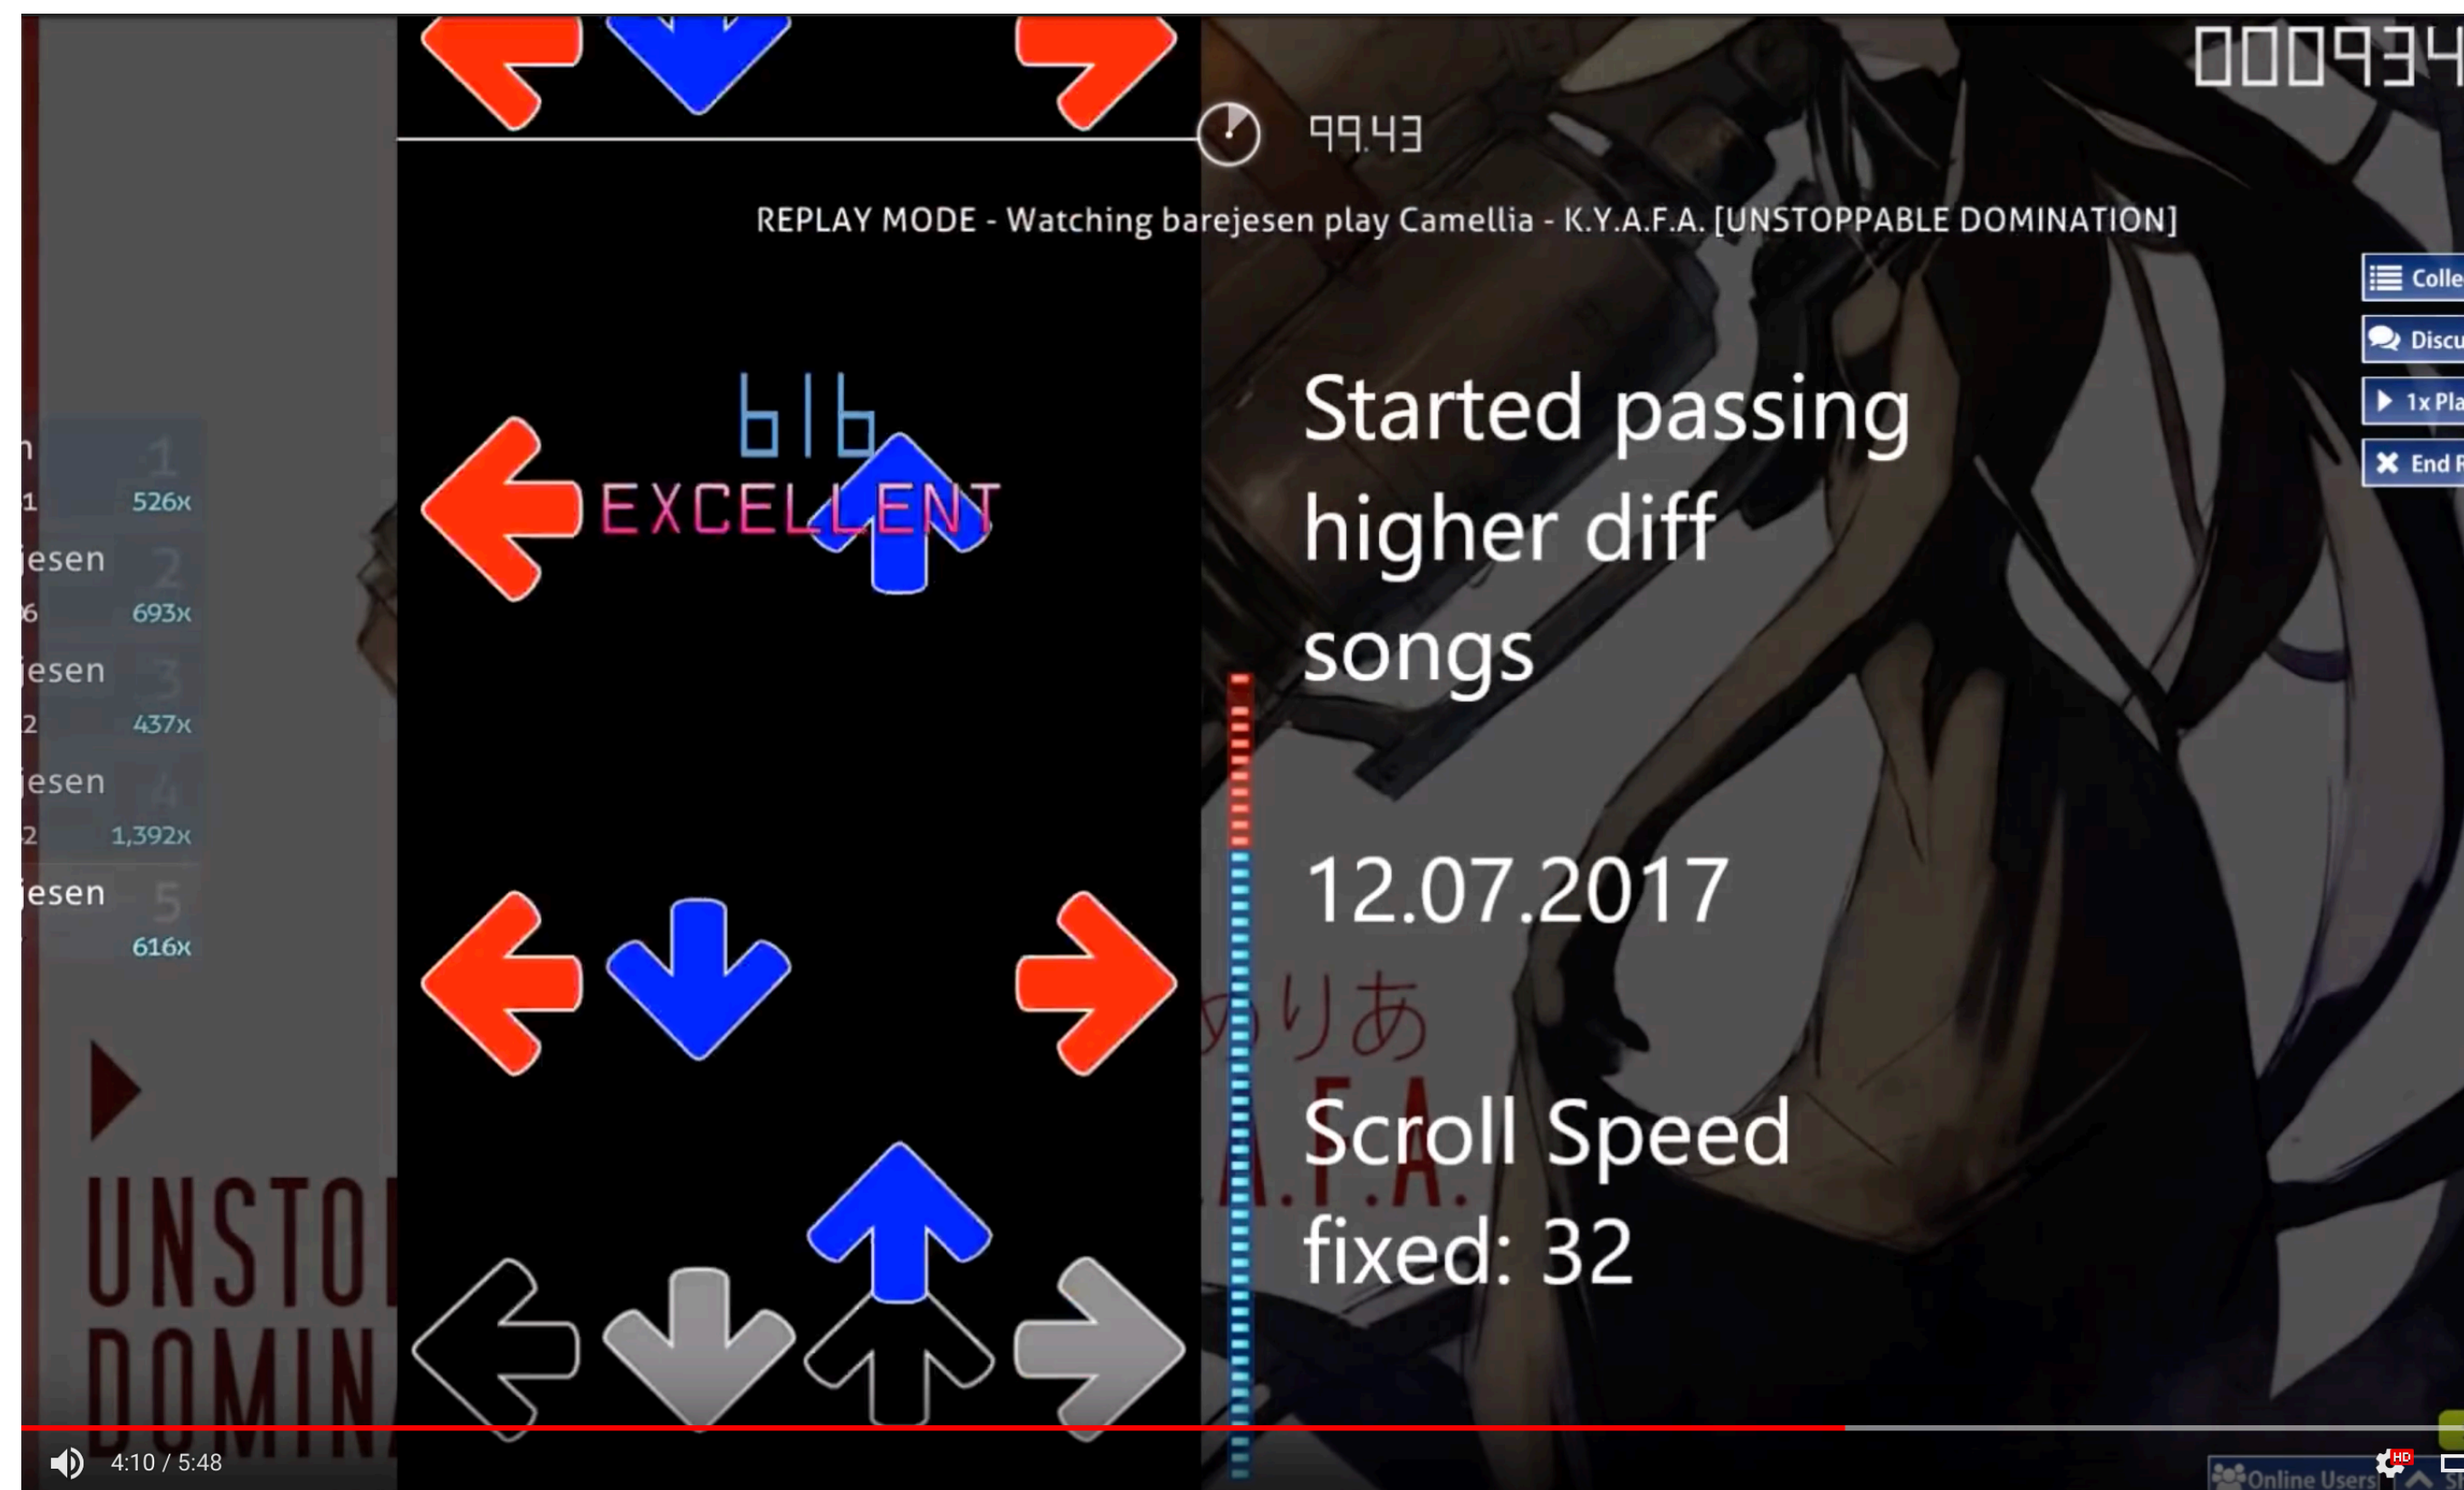

# Continuous /w single-dimensional beatmap Problem

# Solution 1

# OSU! mania

**Music Audio**

# Continuous /w multi-dimensional beatmap Problem

# Continuous /w multi-dimensional beatmap

## Problem solved

Continuous /w multi-dimensional beatmap  
Problem solved

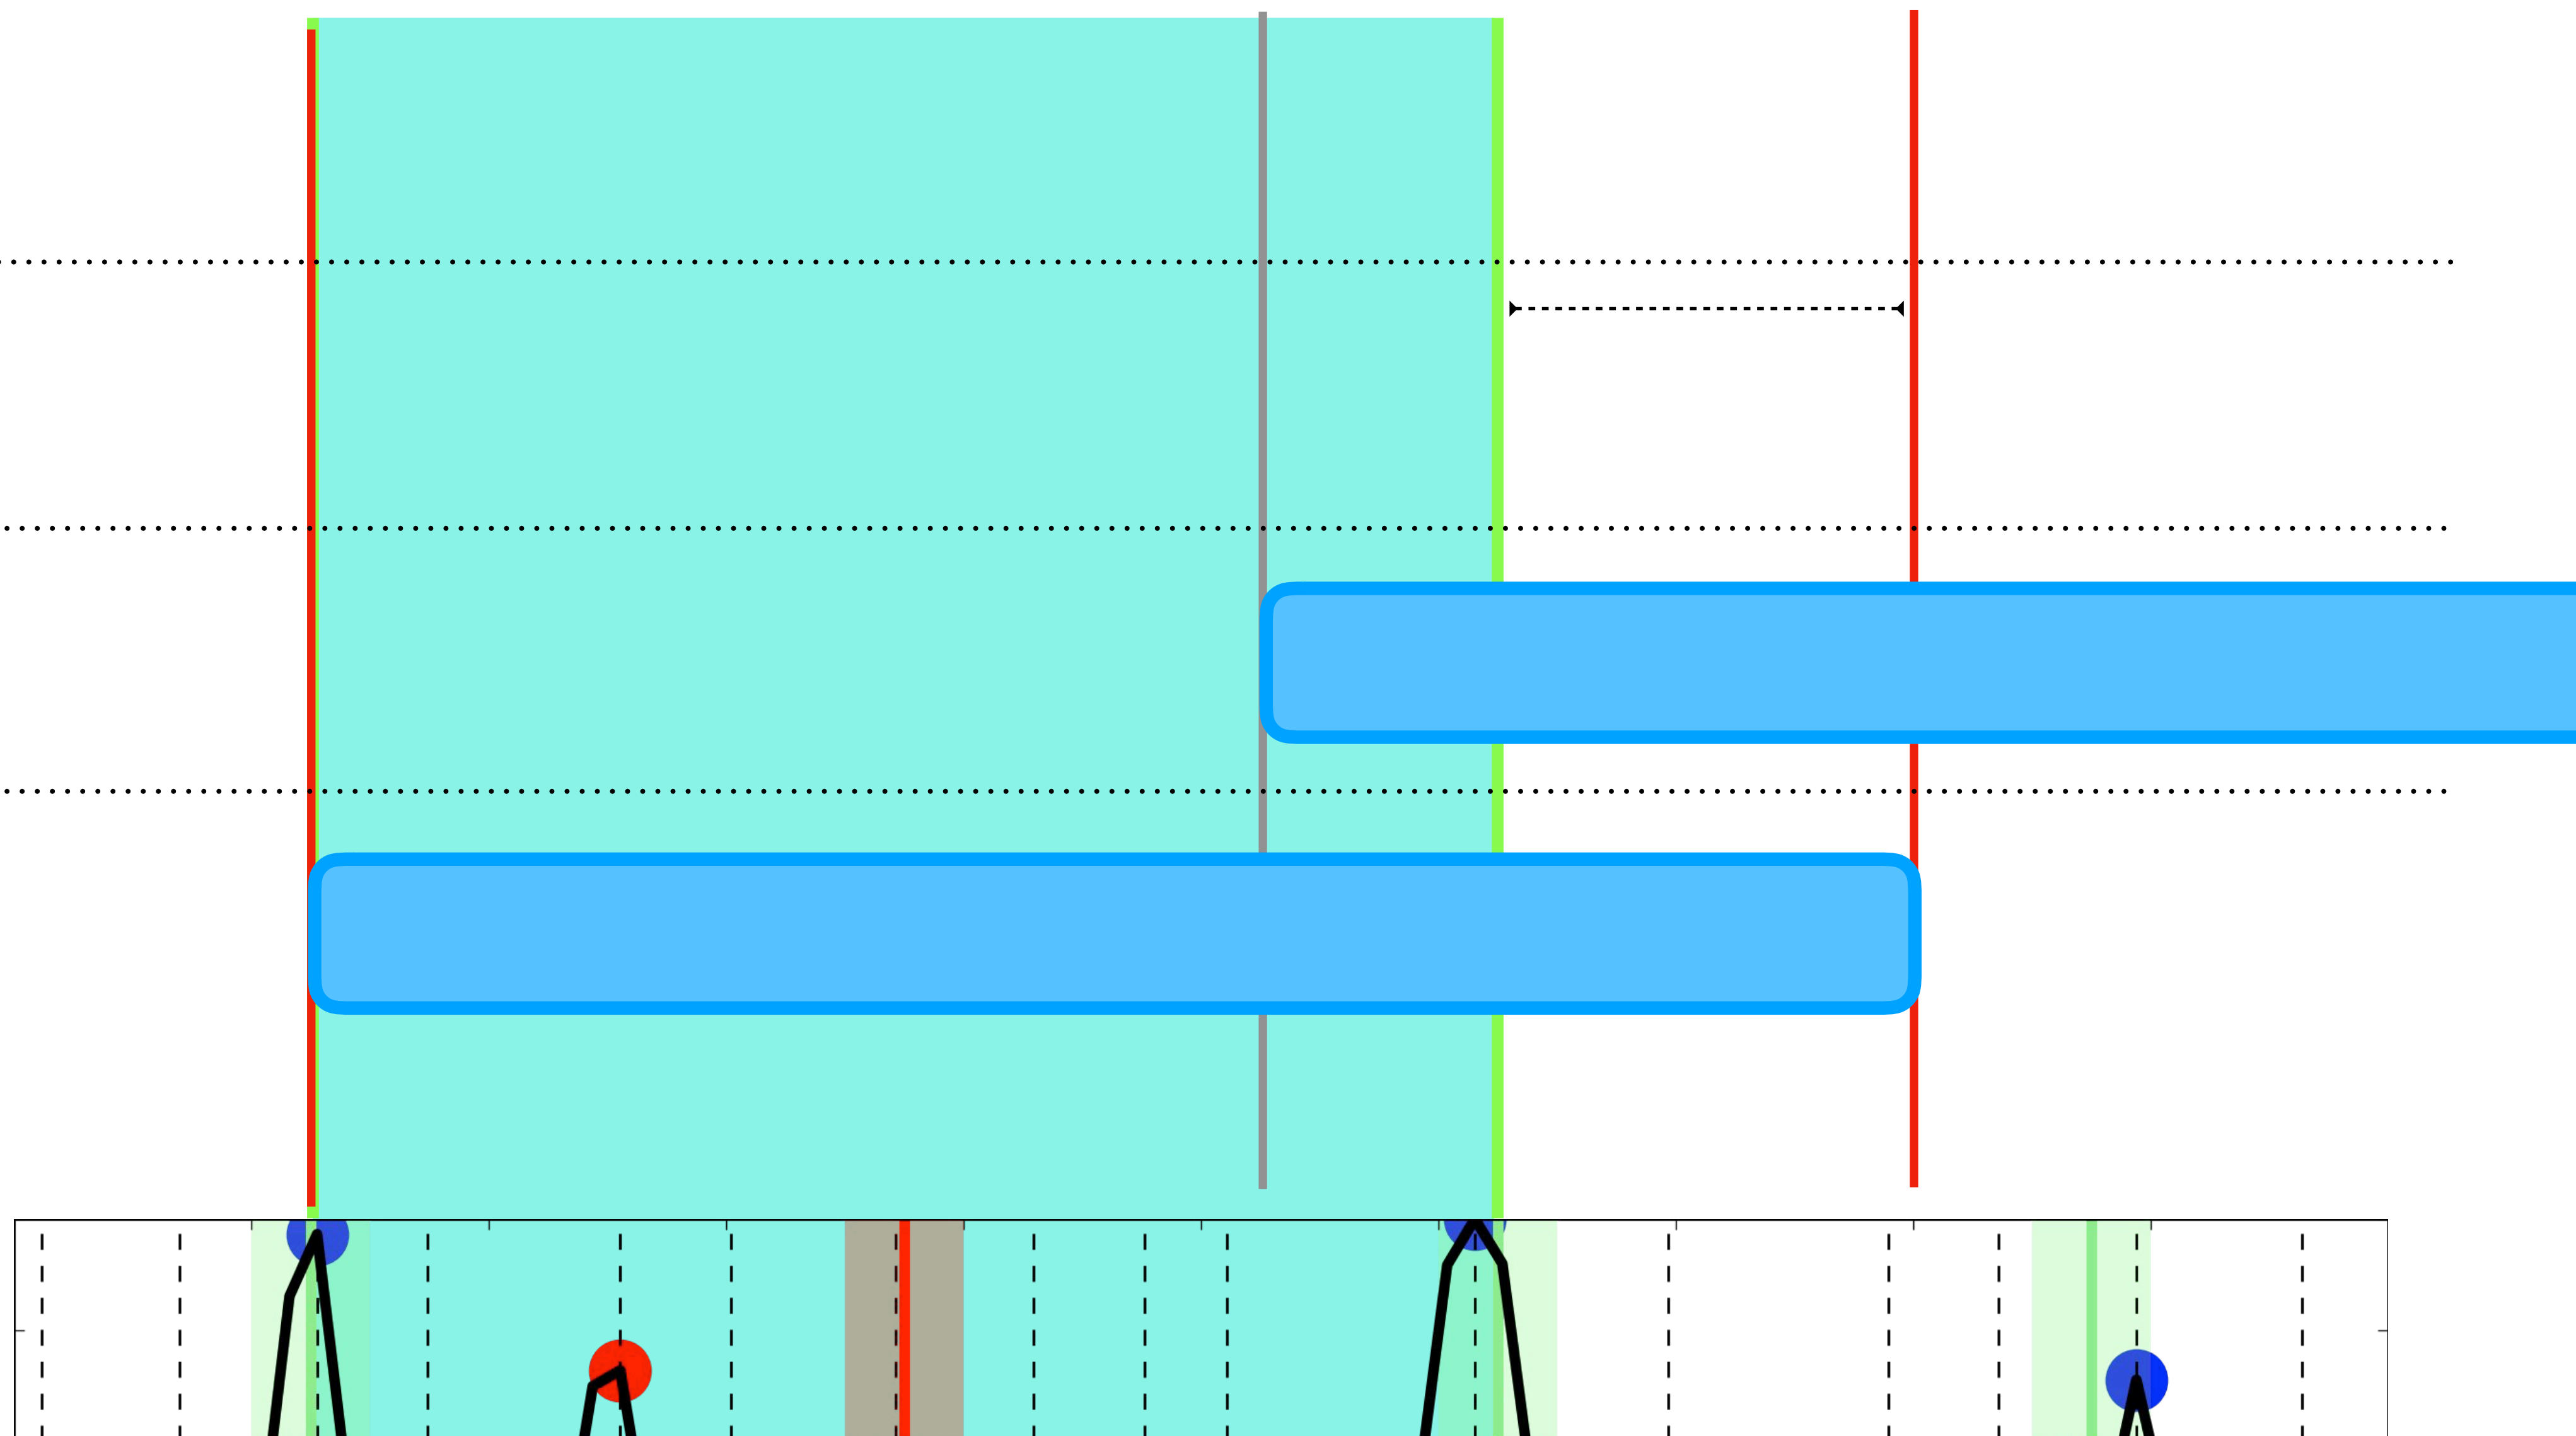

But

# Solution 2

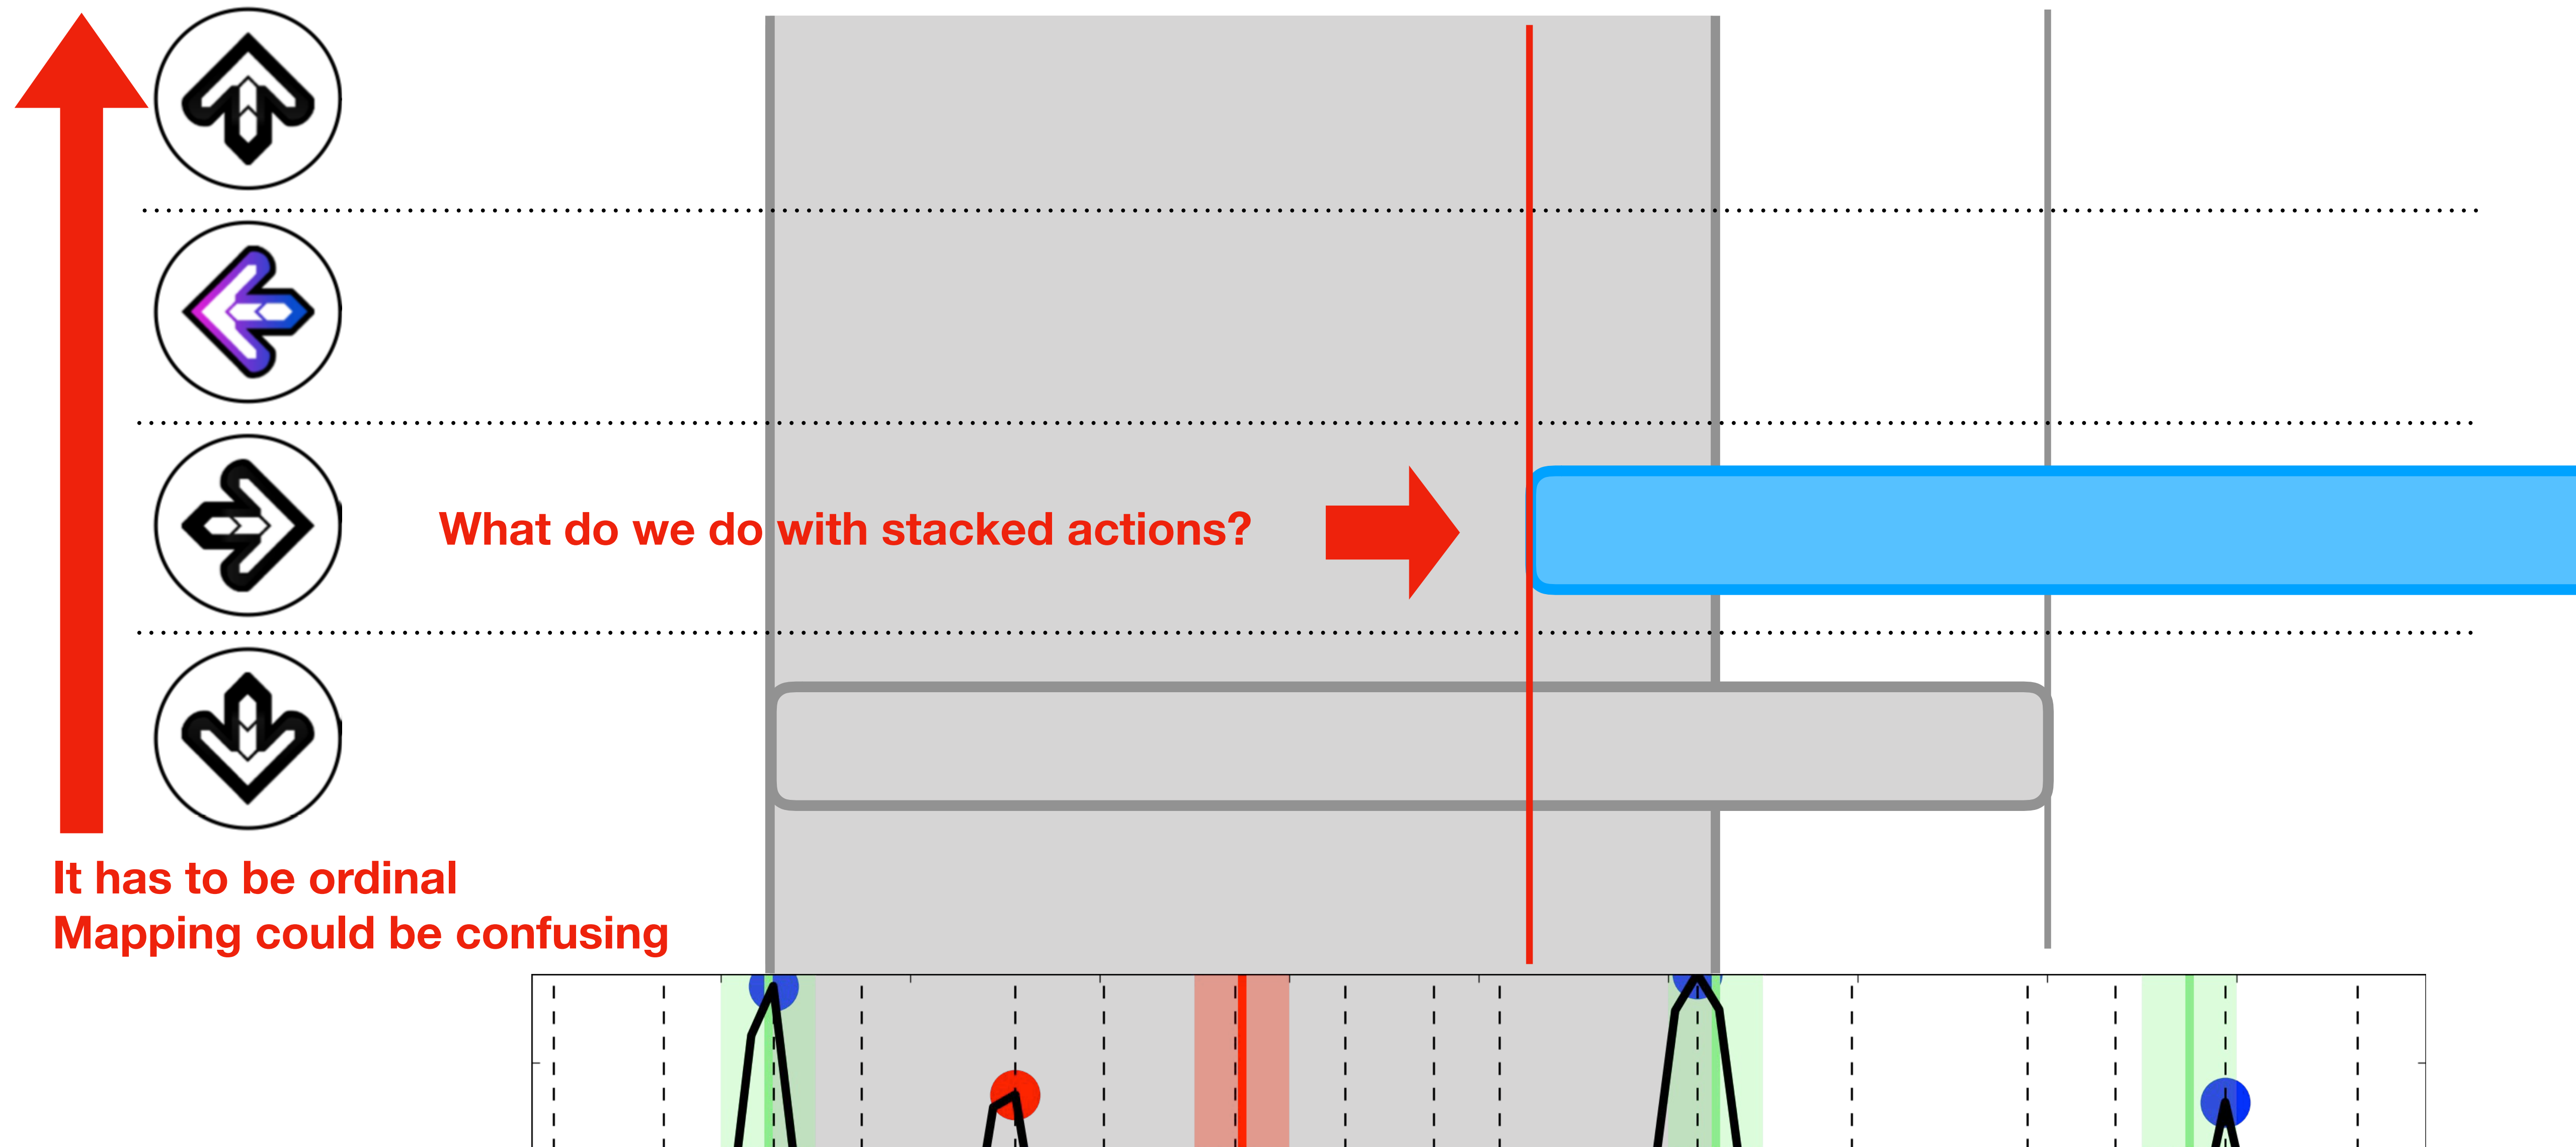

# Continuous /w single-dimensional beatmap

## S2: find the release action accordingly

# Continuous /w single-dimensional beatmap

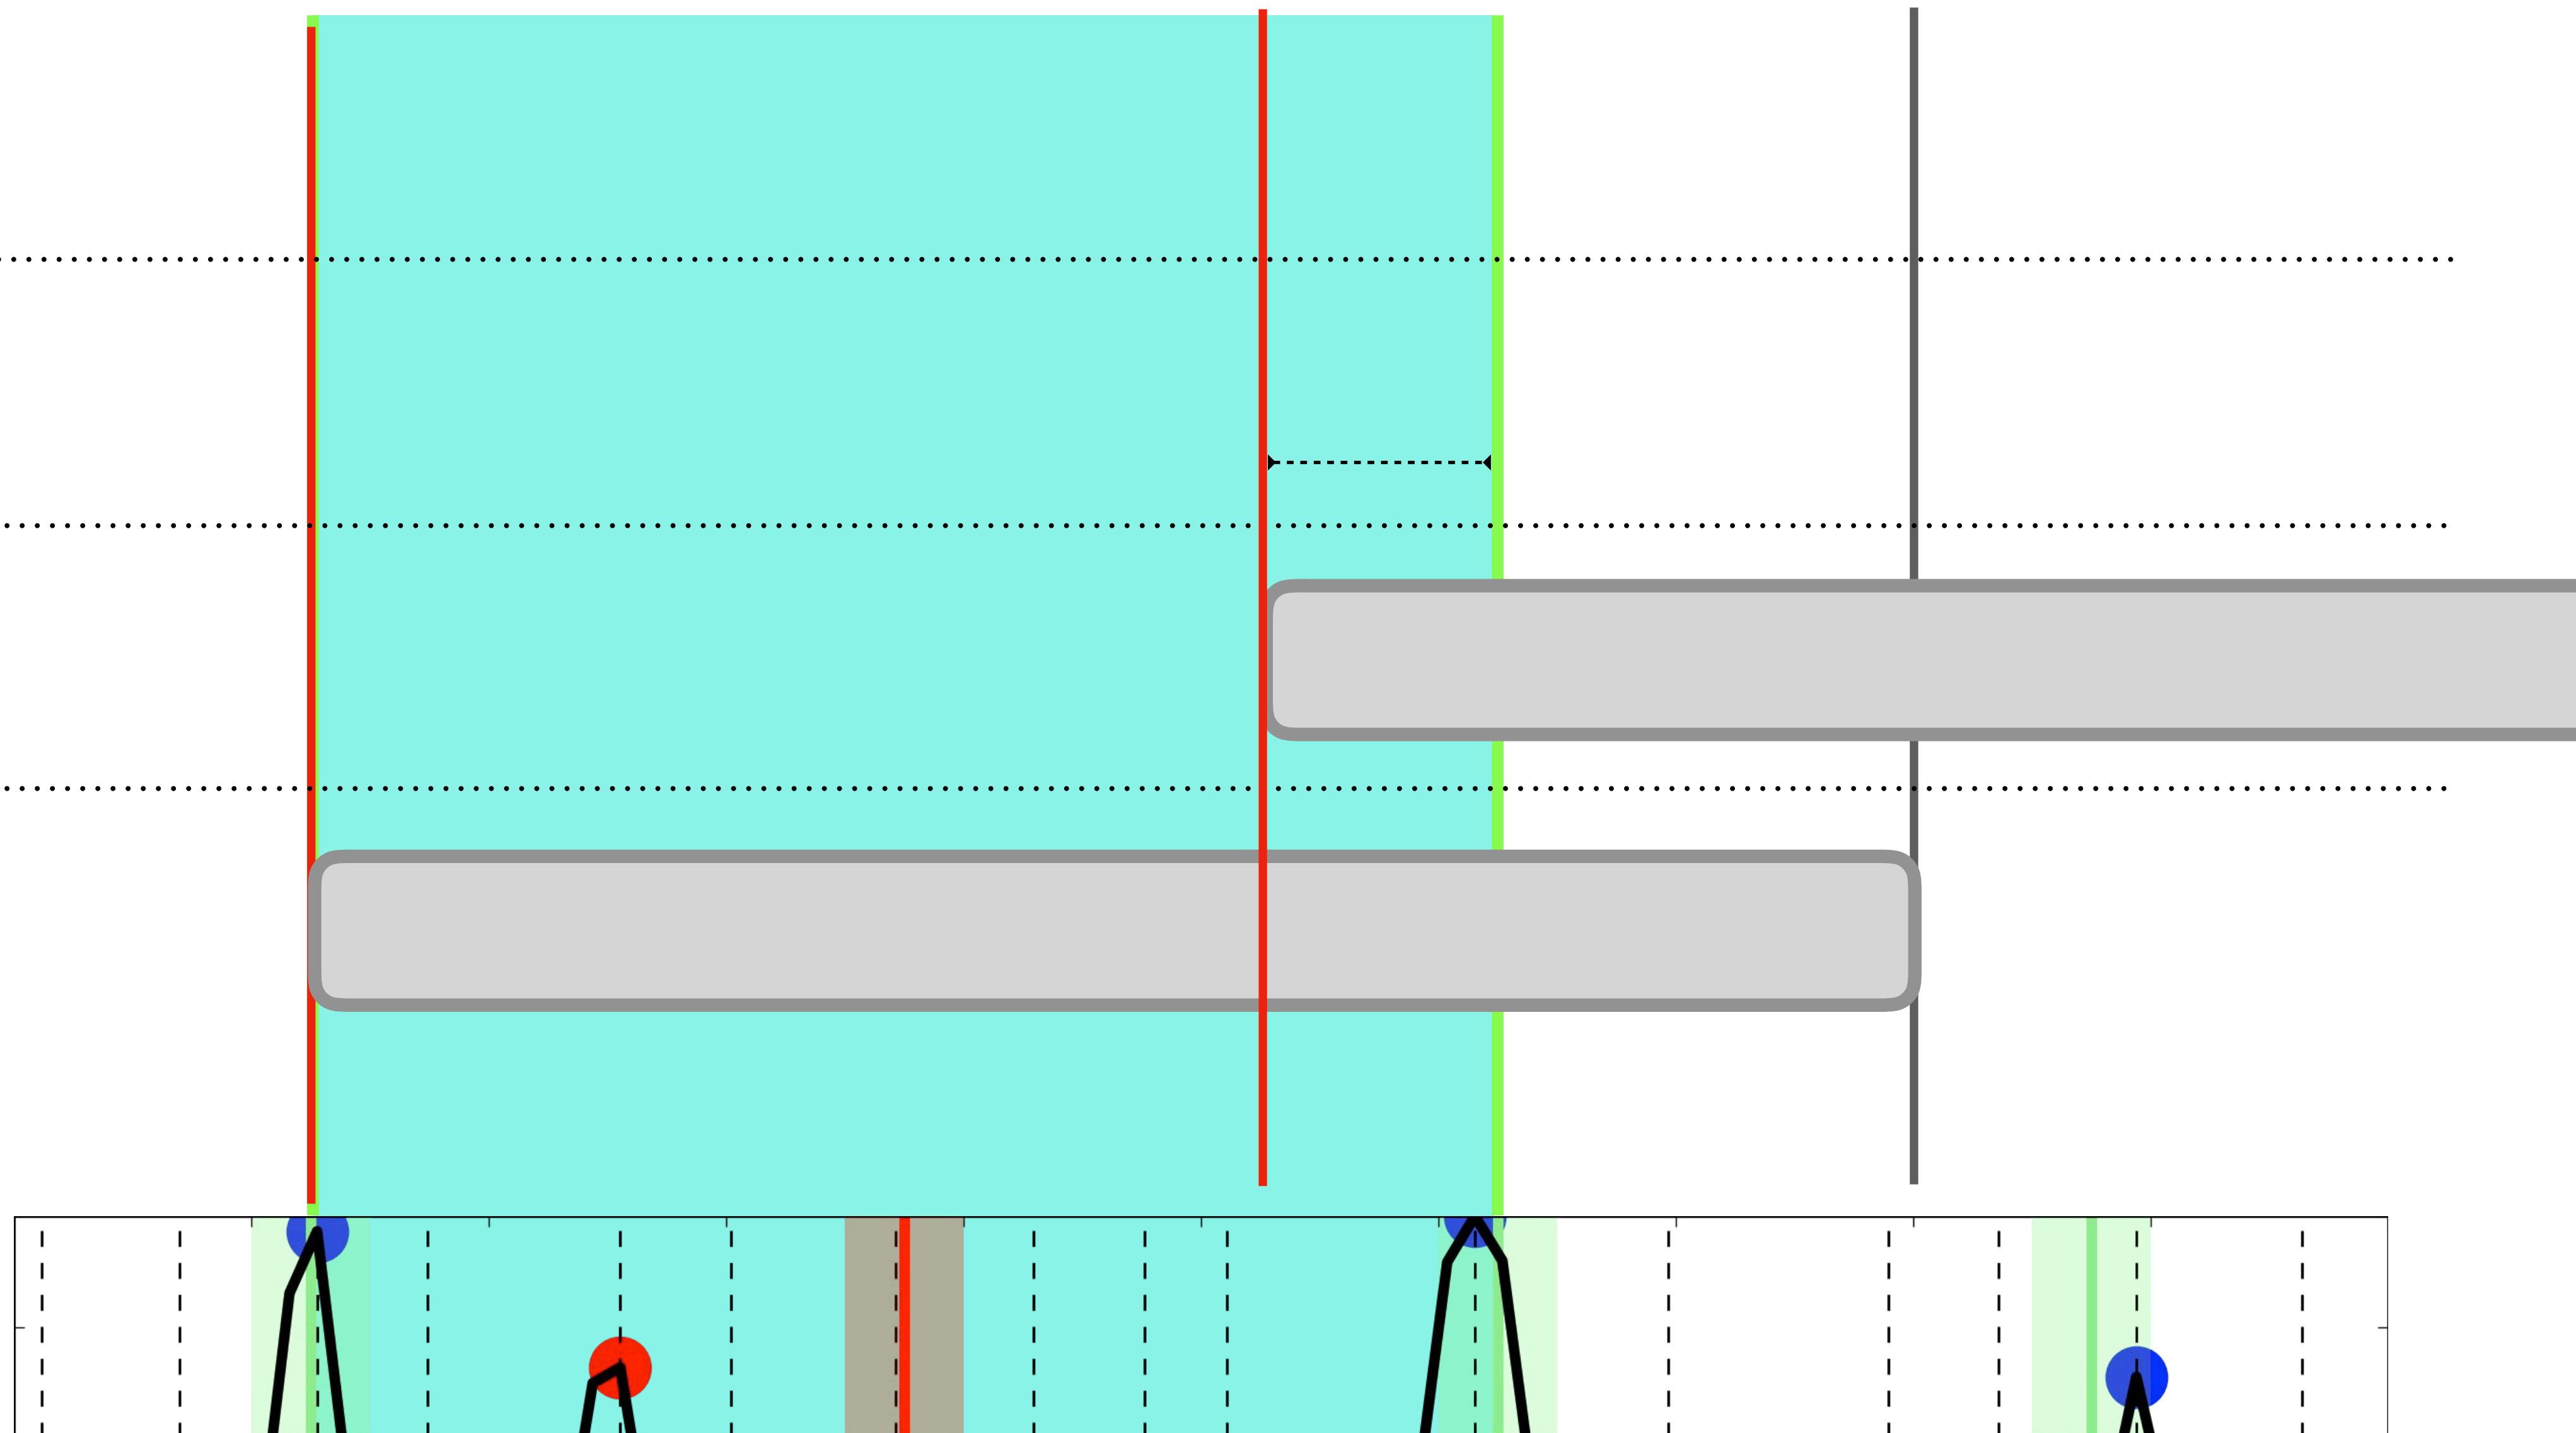

## Solution 2: Problems

# Solution 3

# Continuous /w single-dimensional beatmap

## S3: just whatever comes first

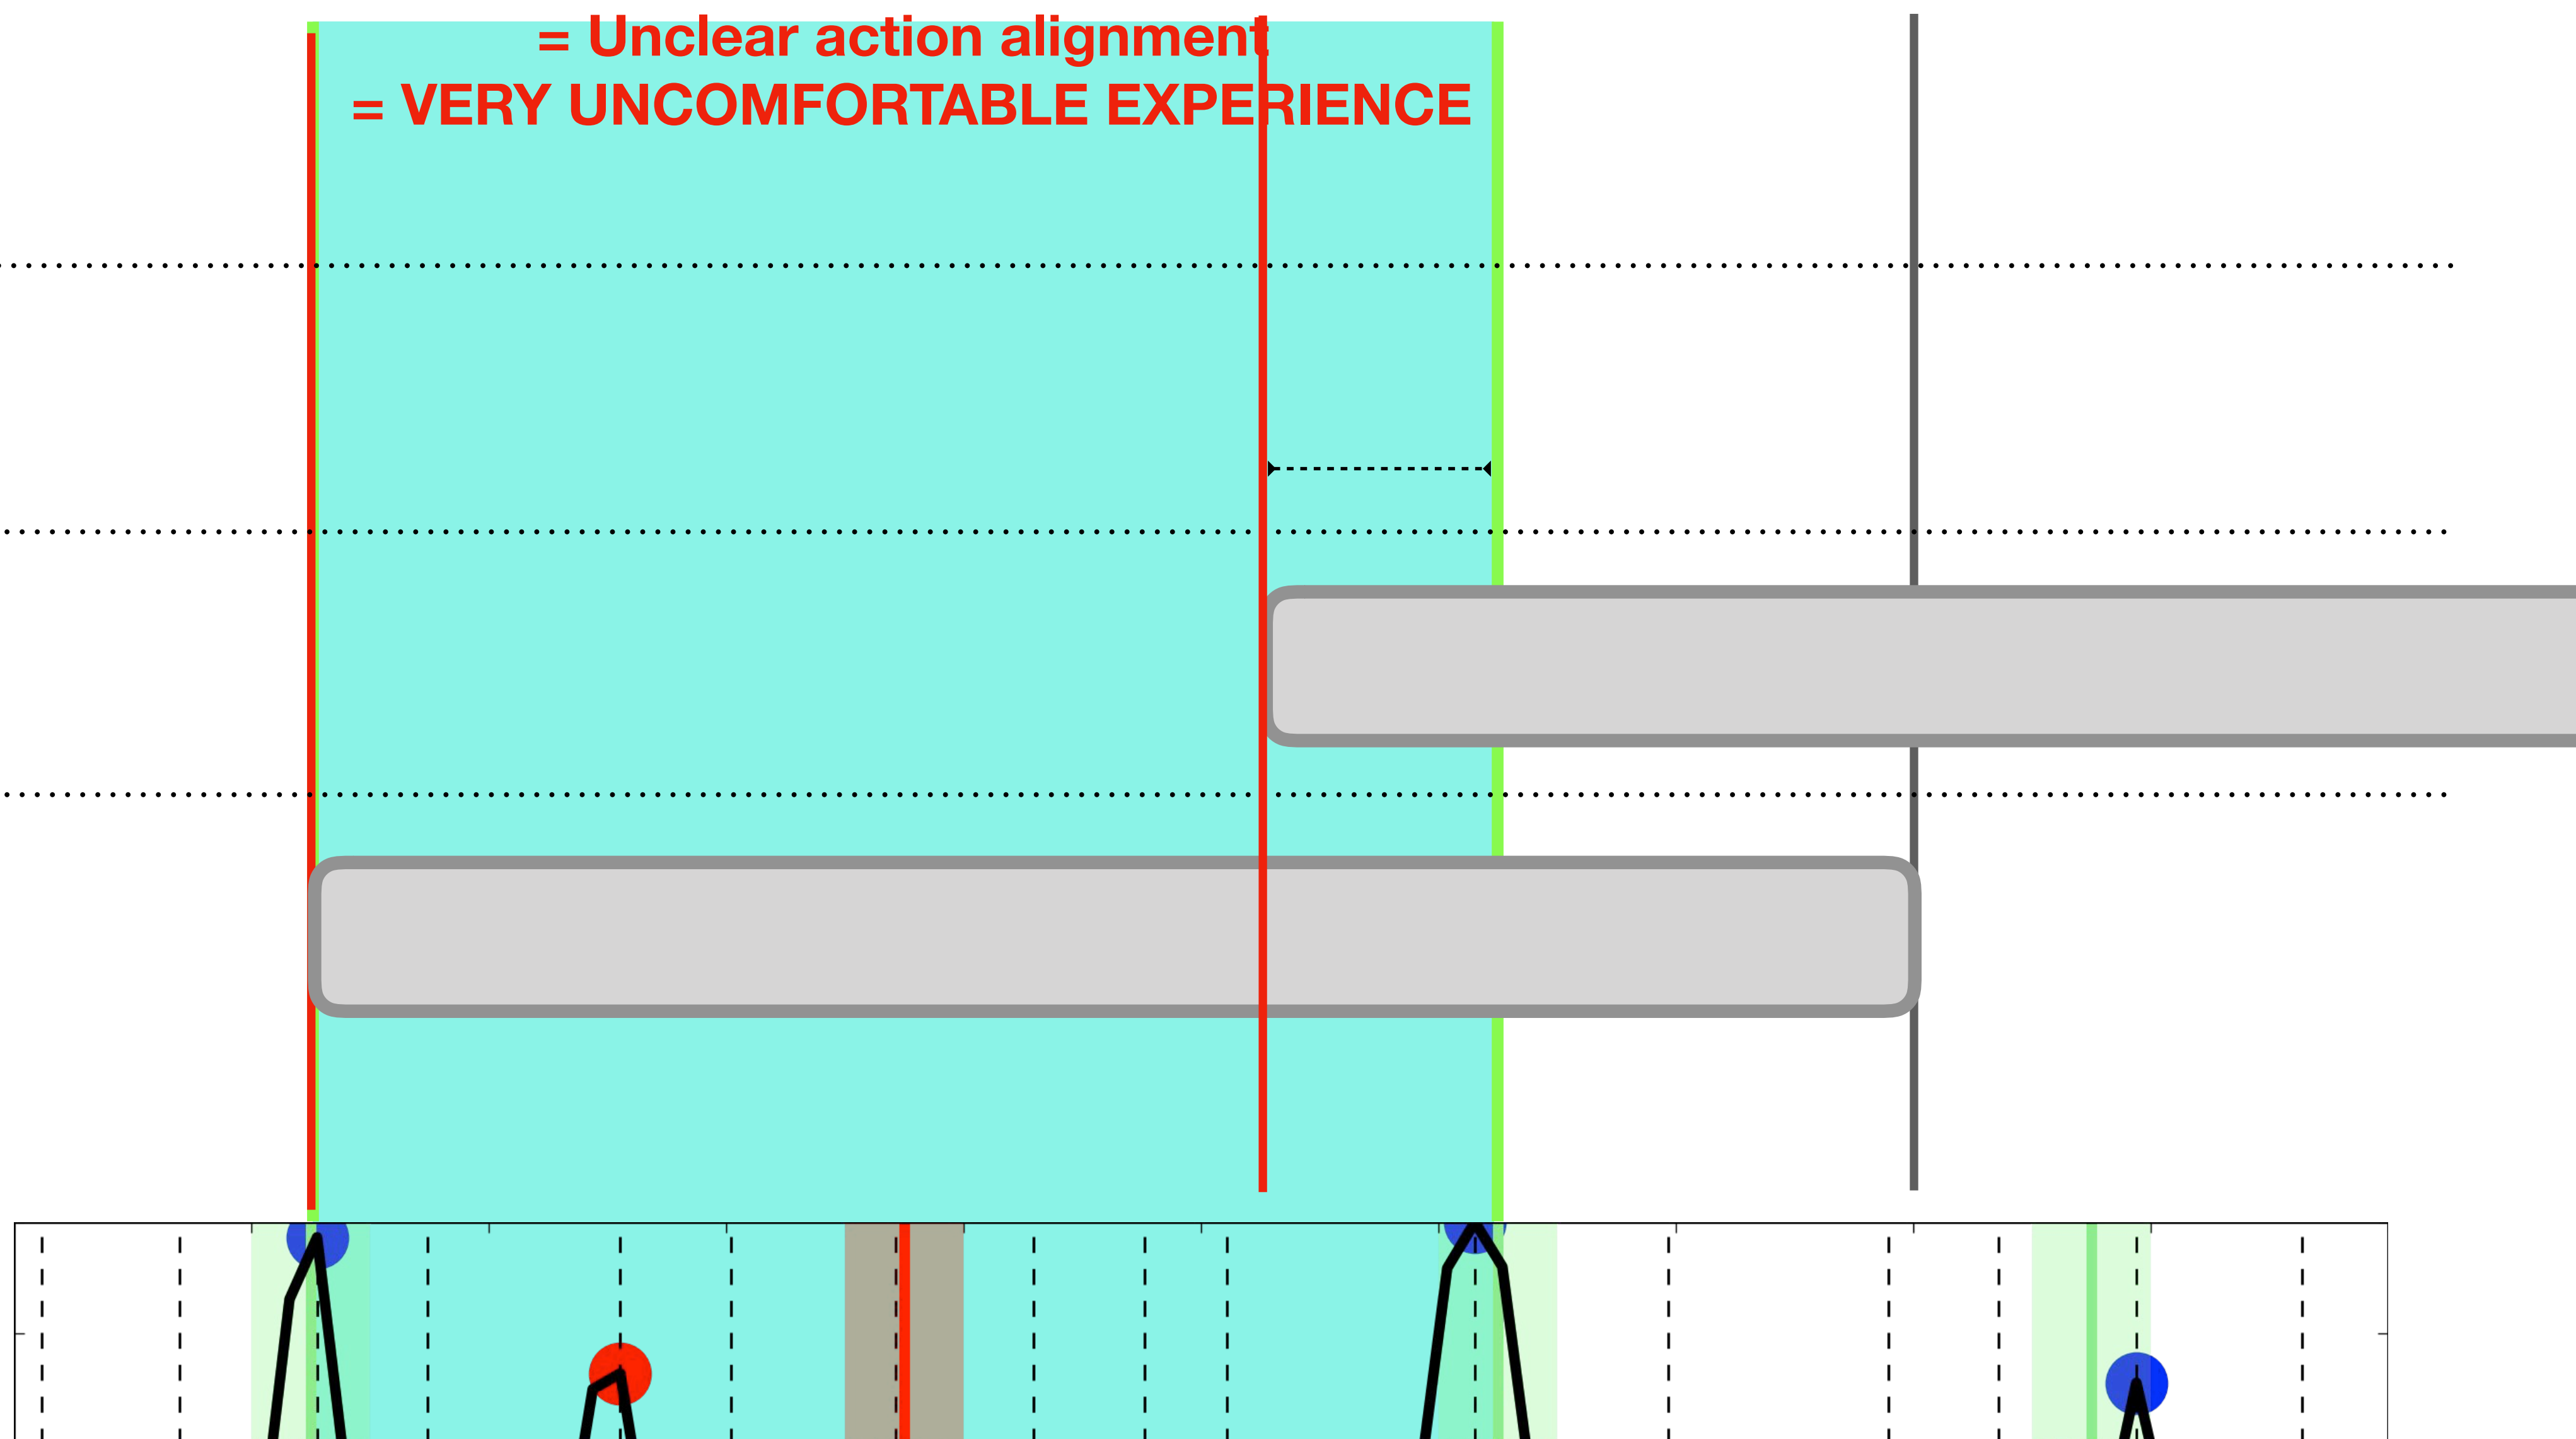

# Continuous /w single-dimensional beatmap

## Solution 3: just whatever comes first Problem

= Unclear action alignment  
= VERY UNCOMFORTABLE EXPERIENCE

**Danke**
